Client Profile

Supergroup

The Company

SuperGroup is a UK fashion retailer offering quality clothing and accessories. It operates a multi-channel business through a combination of Cult and Superdry standalone stores.

SuperGroup currently has 55 standalone Cult and Superdry retail stores, 69 concessions and a large number of Wholesale relationships.

Interior Signage

Trafford Centre Exterior Signage

Project Requirements

Ongoing project requirements include

- Specialist multi layered, internally illuminated large scale built up letters. Produced in a variety of materials ranging from a custom made acrylic imported from Spain, stainless steel, aluminium and intentionally aged mild steel at the customers request.
- Ultra large scale built up letters. Fabricated from aluminium.
- Window vinyls.

Superdry is sold in approximately 70 countries worldwide.

Client Profile

Supergroup

Backstory

Bolton Sign were introduced to Cult Retail by a key project manager whom we have a long standing relationship with.

Cult Retail had previously sourced signage from an alternative supplier. Due to our reputation for quality we secured our first project early 2009 for Breed, a sub-brand of Cult Retail in London.

We installed our very first Superdry signage in Aberdeen, which has led to projects throughout the UK.

We manufacture and ship signage internationally, to countries such as Australia, Brazil, Venezuela, Norway, France & Belgium.

Research and development is a key part of our relationship with the Cult design team. Due to the nature of the Cult brand we are often tasked to investigate the use of unique and unusual raw materials.

Dealership Exterior Signage

Project Requirements

Ongoing project requirements include

- Custom fabricated parabolic safety signage with integral uplighters. A key benefit to this system is the ability to swap individual panels if and when required.
- Custom made internally lit aluminium projection signs.
- Internal acrylic display signs.

It is essential that our image and brand are portrayed in the very best possible light, Bolton Sign have ensured we achieve this goal on every project.

Client Profile

Piaggio
Group

Backstory

Bolton Sign were first introduced to the Piaggio Group by their Franchisee Dealership Manager, with whom we had a previous long term relationship with.

As an Italian manufacturer, originally the signage had been produced locally, however this caused communication and logistical problems with the UK network.

Bolton Sign were tasked to enhance the existing Italian specification. Attention was paid particularly to the difference in climate.

Response times were key as were working to tight deadlines, by achieving results Bolton Sign established themselves as the main supplier of high quality signage to their network of UK dealerships.
